OUR STORY

THE TASTE OF KERALA

India is vast and diverse, every region shaped by its own geography, climate and native ingredients. Kerala stands out among them. Cradled by the Arabian Sea and rich in tropical green, it is celebrated around the world for vibrant flavours, fragrant spices and a deep-rooted culinary heritage.

Kerala cooking is built on freshly ground spices, coconut in many forms and produce native to the region. From coastal dishes scented with curry leaves to slow-cooked meats layered with complex spice blends, the food carries centuries of tradition and craft. In Kerala, cooking is more than a skill; it is a cultural identity.

At Adipoli Affairs we bring that authenticity to Christchurch. All our chefs are natives of Kerala, with years of experience in traditional cooking passed down through generations, so every dish carries the true taste of Kerala's world-renowned cuisine.

GLUTEN FRIENDLY Most of our dishes are gluten friendly. If you have any concerns, please ask before ordering.
